

src/Utils/VariableLengthInteger/VarLenInt.h

```
graph TD; A[src/Utils/VariableLengthInteger/VarLenInt.h] --> B[../../Object/ByteArray.h]; A --> C[../../Constants.h];
```

The diagram illustrates the dependencies of the file `src/Utils/VariableLengthInteger/VarLenInt.h`. It is represented as a box at the top with two arrows pointing downwards to two other boxes. The left arrow points to `../../Object/ByteArray.h` and the right arrow points to `../../Constants.h`.

../../Object/ByteArray.h

../../Constants.h
